Cardiff Nursery Receives National Quality Award

Hollies Nursery, Cardiff. 22 February 2017 – Hollies Nursery is located on Sanatorium Road in Canton.

Hollies Nursery in Cardiff today announced that it has received national recognition for the quality of care it offers children.

Hollies Nursery has been awarded National Day Nurseries Association's e-Quality Counts at Level 3. e-Quality Counts is a national quality scheme designed to help a nursery explore all aspects of its care and education to ensure that it is delivering the best possible service for young children.

For the past two years, Hollies Nursery has been working towards the award, which acts as an indicator to parents of the high quality care that is offered.

Lisa Cronk, Hollies Nursery Managing Director comments: "We are absolutely thrilled to have been awarded e-Quality Counts at Level 3. This is a special achievement and reaching this point is a culmination of much hard work from the nursery team. I would like to thank everyone who has supported us during our e-QC journey."

Purnima Tanuku, Chief Executive of National Day Nurseries Association (NDNA) adds: "Achieving e-Quality Counts involves a great deal of hard work and development, and illustrates a nurseries absolute commitment to children. The nursery should be very proud of this achievement as the e-Quality Counts scheme as it demonstrates that children are at the heart of what they do."
